### Key data

- Academic year 2016/2017: 05 September – 21 January; 23 January - 03 June. The dates may slightly vary according to the specialty and the year of studies. Please note that the students (students who have a French level < B2\* have to be in Strasbourg at least 2 weeks before the classes start for the French intensive course).
- Application deadlines: 1 May – autumn semester; 1 November - spring semester
- Application form: <http://www.insa-strasbourg.fr/fr/etudiant-etranger/>
- Application procedure: The International Relations Office gives the applications to the department coordinators after the deadline. The coordinators process the applications and pass on their decision to the International Relations Office. The decision is taken according to the available places, academic level and motivation.
- Courses: <http://www.insa-strasbourg.fr/fr/programmes/>. All the courses at Insa Strasbourg are in French. Please note that you are able to choose courses from one specialty and one semester only (e.g. all the courses in civil engineering semester 8). For any questions about the study program please contact the department coordinators: <http://www.insa-strasbourg.fr/fr/etudiant-etranger/procedure-dadmission.html>
- Accommodation: The application for accommodation may be found at the last pages of the application form: <http://www.insa-strasbourg.fr/fr/etudiant-etranger/>
